BALTIMORE IS IN A BLAZE OF GLORY.

For equal rights and laws without
Batting against corruption's flood.

Although corruption has poured a continued stream upon our city—although beset by "ways and means" of a desperate party, the Democracy have stood up against every opposition, and they were able to elect John A. Demaree a majority for Carroll, the Democratic candidate, of 1217!

The official vote may vary a few figures, but they will probably be as much in our favor as against.

At the Majority election of last October, Law's (Whig) majority was 231.

BALTIMORE COUNTY.—The few returns received at the time of going to press, show P. M. Demaree, of Baltimore county show an equal Democratic gain with the city. At this rate Carroll will be elected by about 1,000 majority.

We would have our friends at a distance know that the Jews were created by, and every means used to defeat the Democracy, but they were true to their principles—and true to their country.

MARYLAND ELECTIONS.

Carroll's majority 1,290.

The largest majority given in Baltimore for 20 years past, which is as long as we have been holding elections.

Another account makes the majority in the city 1,217.

(In 1840 Van Buren had in Baltimore over 30 majority over Harrison.)

Frederick district, Baltimore county, Carroll 479; Pratt 250.

Bladesburg, Prince George's county, Pratt's majority 41.

Frederick, Prince George's county, 16 majority for Pratt.

Majority in Baltimore city 1,195—last Spring Whigs elected to Congress by 678. Democratic gain since Spring 1873.

Prince George's county as far as heard from—Baltimore, Pratt's majority 41; Yarnsville 15 majority for Pratt.

In Baltimore City the two Conventions, Whig and Democratic, assembled to nominate their Candidates. See what a tremendous gain to the Democracy, in spite of the Coon Mammoth Young Men's Convention. And with a complete triumph of the Democracy in Democratic Nominations, from a gallant City—from those whom the nomination of "Jimmy Polk," was sent forth to the World.

A letter from a Whig received last night thinks the result of the Election of Governor doubtful. The Democrats seem to have strong hopes of Carroll's (D.) election. A Whig who came on last night, gives up the State to Polk.

Valuable Real Estate on James River, in Buckingham, for Sale, without reserve.

BY virtue of two deeds of trust, or one of them, as the case may require, executed by Charles A. Scott, during his life, and duly recorded in the County of Stafford, in the State of Virginia, the said Charles A. Scott, do hereby certify, that he has the honor to sell, by public auction, to the highest bidder, the following

ham, the first which bears date the 21st day of April, 1835, and the other the 14th November, 1842, the undersigned, Trustee, will, on **WEDNESDAY, the 18th day of DECEMBER, 1841**, offer for sale, to the highest bidder, for cash, at the residence of William A. Scott, in the said county, the whole, or so much as may be sufficient for the purposes for which the said deeds were executed, of the Tract of Land in the said deeds mentioned, on which the said Charles A. Scott resided, adjoining the lands of George Back and others, and upon which the said Charles A. Scott has a lien for the benefit of D. Charles Everett, upon which there is due about \$14,000. This

Tract is beautifully situated, with a view of James river, in full view of the city and having access to the river with the Canal, about ninety miles above the city of Richmond, and is estimated to contain about twenty-seven hundred acres, of which it is supposed upwards of three hundred acres are valuable river low grounds.—A large portion of the high land is perhaps the richest in Buckingham. The whole Tract lies well, is well watered, and as healthy a situation as any in Virginia. The sum required to be raised under the deed of trust, which is for the benefit of Mrs. Nancy Nicholas, Administratrix of

George Nicholas, deceased, will be upwards of nineteen thousand dollars. It is expected that the lien in favor of Dr. Everett will be enforced on the same day, and that the whole Tract will be thus offered for sale at the same time. By the terms of the deeds, the sale is required to be made for cash, but it is probable that the purchaser, or purchasers, will be allowed to make up the arrearages.

purchasers, will be done to make with such persons interested some arrangement by which reasonable time may be obtained. It is further acquired by the sale upon the deeds of trust is believed to be unequalled. The sale will be made subject to the lien existing in favor of Dr. Everett, and with his consent, and to the power rights of the widow of the said Charles A. Scott, but, sellings as Trustee, I shall only convey such title as is vested in me. The land will be shown to any person desiring to purchase, by William A. Scott, who resides on the plantation, and whose house will be open on the day of sale, with all necessary comforts for those attending the sale. If, from bad weather, or any other cause, the Trustee should

deem it proper, for the interests and rights of the parties concerned, to postpone the sale, the same will be adjourned from day to day. The land will certainly be sold, and persons desirous of purchasing a most valuable, healthy, beautiful and convenient tract of land, especially invited to come and examine the fine crops now growing upon it. WM. BRANCH, Trustee.
